Dear Alumnus/Alumna of SRI International, Xerox PARC, or Sarnoff Labs:

On behalf of our members, we invite you to **join the SRI Alumni Association**. The association was founded in 1996 to provide former staff members the opportunity to stay informed about SRI, keep in touch with colleagues, support the institute in a variety of ways, and help perpetuate SRI's traditions and values. We have a few hundred members across the United States and around the world.

SRI Alumni Association members enjoy many activities and services:

- **Alumni Association Newsletter**—Published & emailed three times a year and containing news about SRI programs and Alumni Association activities, information about individual members, and obituaries of former SRI staff members. You can view past issues at srialumni.org.
- **Membership Directory**—A directory of alumni contact information shared with association members annually.
- **Find-a-Friend**—If you can't find a former colleague and their contact information exists in our database, we'll send a postcard or email to the colleague with a request to contact you directly.
- **Mailing List & Linkedin**—Alumni list & Linkedin.com group announcing news and events.
- **Annual Reunion Meeting**—A catered event at SRI that provides an opportunity for socializing with other Alumni Association members, viewing the Alumni Hall of Fame Induction ceremony, or hearing a speaker describe an important SRI project or organizational development.
- **Spring Fling**—A catered picnic or visit to a Bay Area point of interest. Past trips have been to the Computer History Museum, SLAC, NASA-Ames, and the California Academy of Sciences.
- **SRI Archives**—A database and physical repository documenting important areas of SRI's history, including photographic archives.

Your first year of membership is FREE. Thereafter, membership is $35 per year.
